574L 500 Series S+ Three-Door Side-by-Side Refrigerator Freezer

Satina | French hinge

Designed for ultimate flexibility, the S+ Three-Door is packed with FresherTechs and includes a SwitchZoneTM compartment, so you can store different foods in their ideal environment.

 Switch Zone[™] compartment lets you change the temperature between -18°C and +5°C

- Maximise your storage with the flexibility of 18% space, switchable between fridge and freezer
- A Humidity Zone[™] bin creates the ideal environment for fruit and vegetables
- Multi-Zone Air cooling system for consistent airflow to every corner of the fridge

DIMENSIONS

Height	1775 mm	
Width	905 mm	
Depth	707 mm	

FEATURES & BENEFITS

More Fridge, More Flex

With Haier's Fresher Techs, this refrigerator freezer uses innovative technologies to help keep the goodness in your food for longer. Features like Switch Zone™ and Humidity Zone™ create the ideal storage conditions, so you can enjoy more flavour and nutritional value from your food.

Energy Savvy

Designed for energy efficiency, with a 4-star energy rating.

Humidity Control System

A Humidity $Zone^{TM}$ drawer maintains the right humidity to help keep your fruit and vegetables fresh and flavourful.

Even Cooling

Multi-Zone Air evenly circulates cool air to every corner of your fridge. By maintaining a stable temperature, this cooling system creates an ideal food storage environment, for lasting freshness.

Considered Design

This fridge has a modern flat door and horizontal recessed handles, and is designed to fit into common kitchen cavity heights.

SPECIFICATIONS

Volume 574 L Volume freezer 86 L Volume refrigerator 385 L Volume variable temperature compartment
