### HANDMADE IN MILAN

Since 1905 La Pavoni's passion has been creating innovative, high-quality coffee machines made by hand in Milan. Know-how, creativity and style spring from this Italian identity and characterise the company's commitment to designing timeless machines that produce the finest café-quality coffee. La Pavoni reflects the defining characteristics of Italian design - elegance, originality and premium performance.

### COMPACT DESIGN

With a built in water tank, the Mini Cellini can fit into any part of your kitchen. Designed to make delicious espressos but also steam milk to create silky cappuccinos or lattes.

### BRASS COMPONENTS / S.S BODY

La Pavoni coffee machines are made by hand in Milan demonstrating a dedication to perfecting coffee for over a century. Crafted with a refined brass finish and a stainless steel body, La Pavoni machines are premium appliances built to endure the rigours of producing coffee of the highest standard.

### INSULATED STEAM WAND

The insulated steam wand is safe to touch and easy to clean. The steam wand swivels, allowing you to adjust for comfort while texturing milk.
