HANDMADE IN MILAN

Since 1905 La Pavoni's passion has been creating innovative, high-quality coffee machines made by hand in Milan. Know-how, creativity and style spring from this Italian identity and characterise the company's commitment to designing timeless machines that produce the finest café-quality coffee. La Pavoni reflects the defining characteristics of Italian design - elegance, originality and premium performance.

COMPACT DESIGN

With a built in water tank, the Mini Cellini can fit into any part of your kitchen. Designed to make delicious espressos but also steam milk to create silky cappuccinos or lattes.

BRASS COMPONENTS / S.S BODY

La Pavoni coffee machines are made by hand in Milan demonstrating a dedication to perfecting coffee for over a century. Crafted with a refined brass finish and a stainless steel body, La Pavoni machines are premium appliances built to endure the rigours of producing coffee of the highest standard.

INSULATED STEAM WAND

The insulated steam wand is safe to touch and easy to clean. The steam wand swivels, allowing you to adjust for comfort while texturing milk.
